

- yard duty
- camps and excursions.

Richmond Primary School will provide an additional kit for every 300 students. All kits will be stored in the first aid room.

The Asthma Emergency Kit will contain:

- at least 1 blue or blue/grey reliever medication such as Airomir, Admol or Ventolin
- at least 2 spacer devices (for single person use only) to assist with effective inhalation of the blue or blue/grey reliever medication (Richmond Primary School will ensure spare spacers are available as replacements). Spacers will be stored in a dust proof container.
-

Epidemic Thunderstorm Asthma

Richmond Primary School will be prepared to act on the warnings and advice from the Department of Education and Training when the risk of epidemic thunderstorm asthma is forecast as high.
